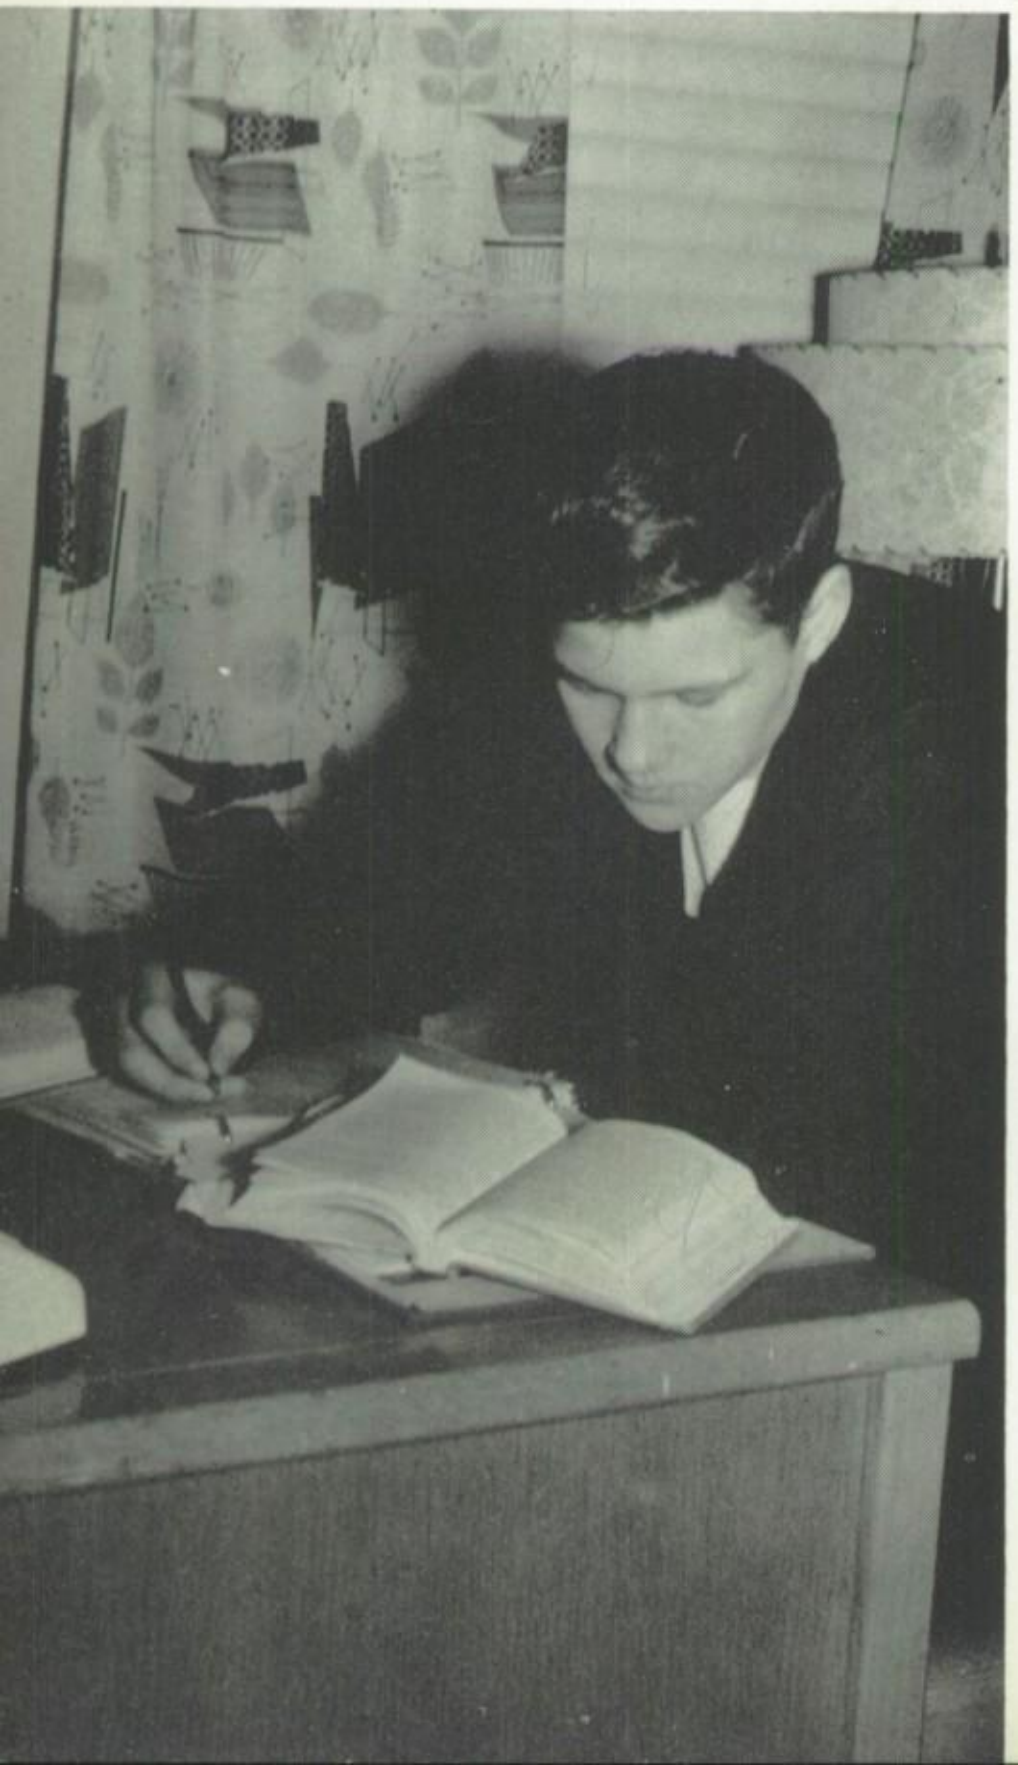
FOREWORD

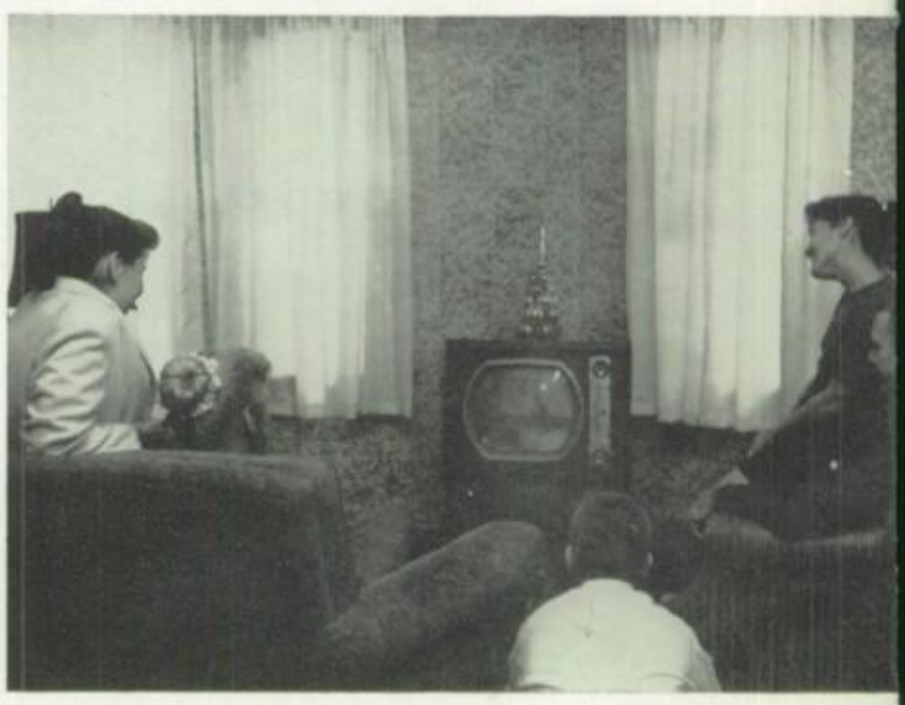
In the construction of a building and that of an effective school life the same distinctive divisions—foundation, walls, windows, doors, and roof — are necessary. As Senior members of the staff we look back at our building and our school life and think . . . .

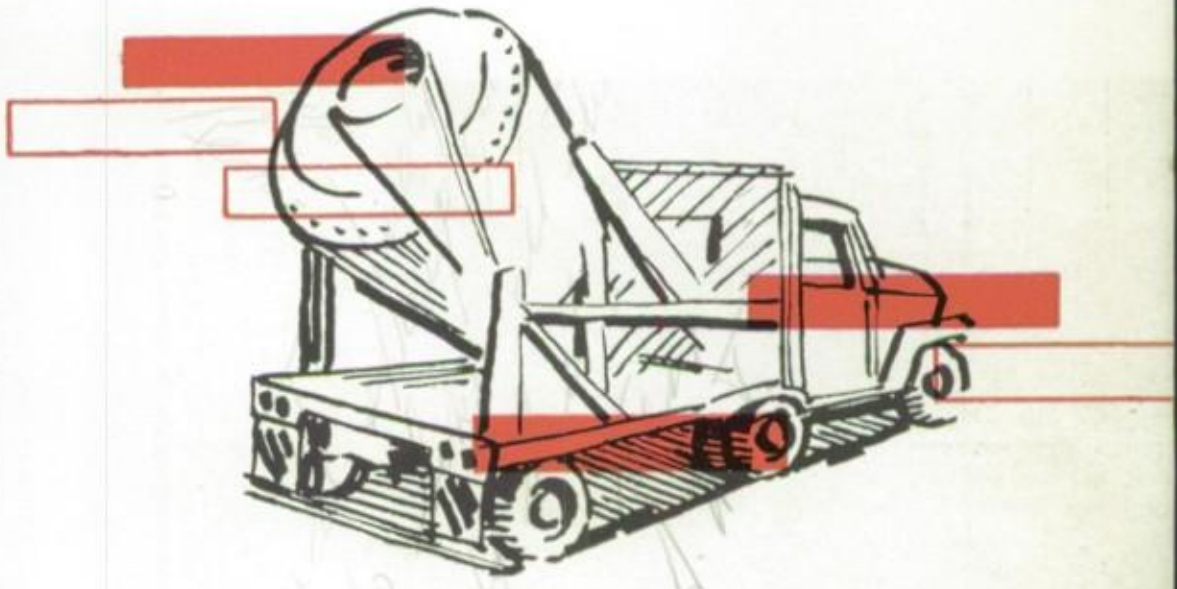
Four years ago the plans were drawn with integrity and hope. Today we near the finished product. We see our building standing upon a rock. We see the all-supporting foundation hold strong under its weight. We see the walls of many bricks, tall and sturdy. We see the windows placed carefully so as to let in the light and give a glimpse of the warmth within. We see the doors where the fleetness of the wind and the strength of the storm challenge entrance. We see the roof sheltering our building from the ravages of nature. We see our building ready for a lifetime's use.

HOME IS THE MORTAR OF THE STUDENT'S LIFE



Home is the mortar of the student's life. It holds his life together just as it holds the bricks in our building. It gives his life unity and strength. It is in this unity that the student receives the moral guidance and training which prepare him to be a good student and a good citizen.

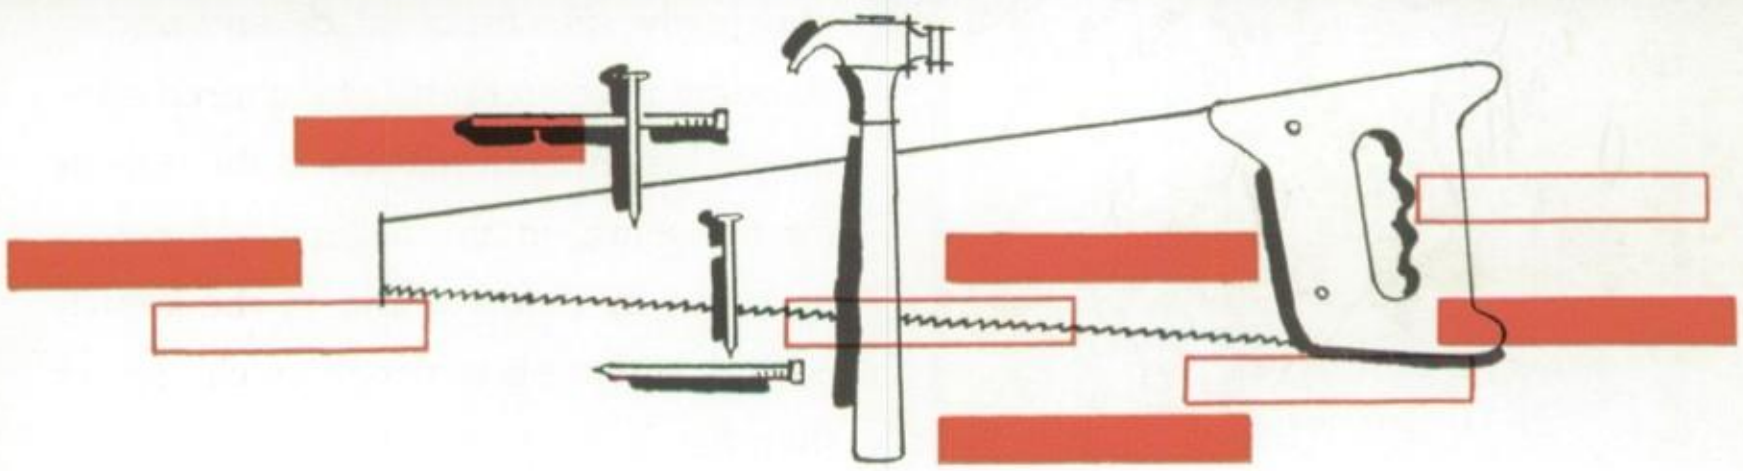




RELIGION PROVIDES A STRONG SUPPORT FOR DAILY LIVING

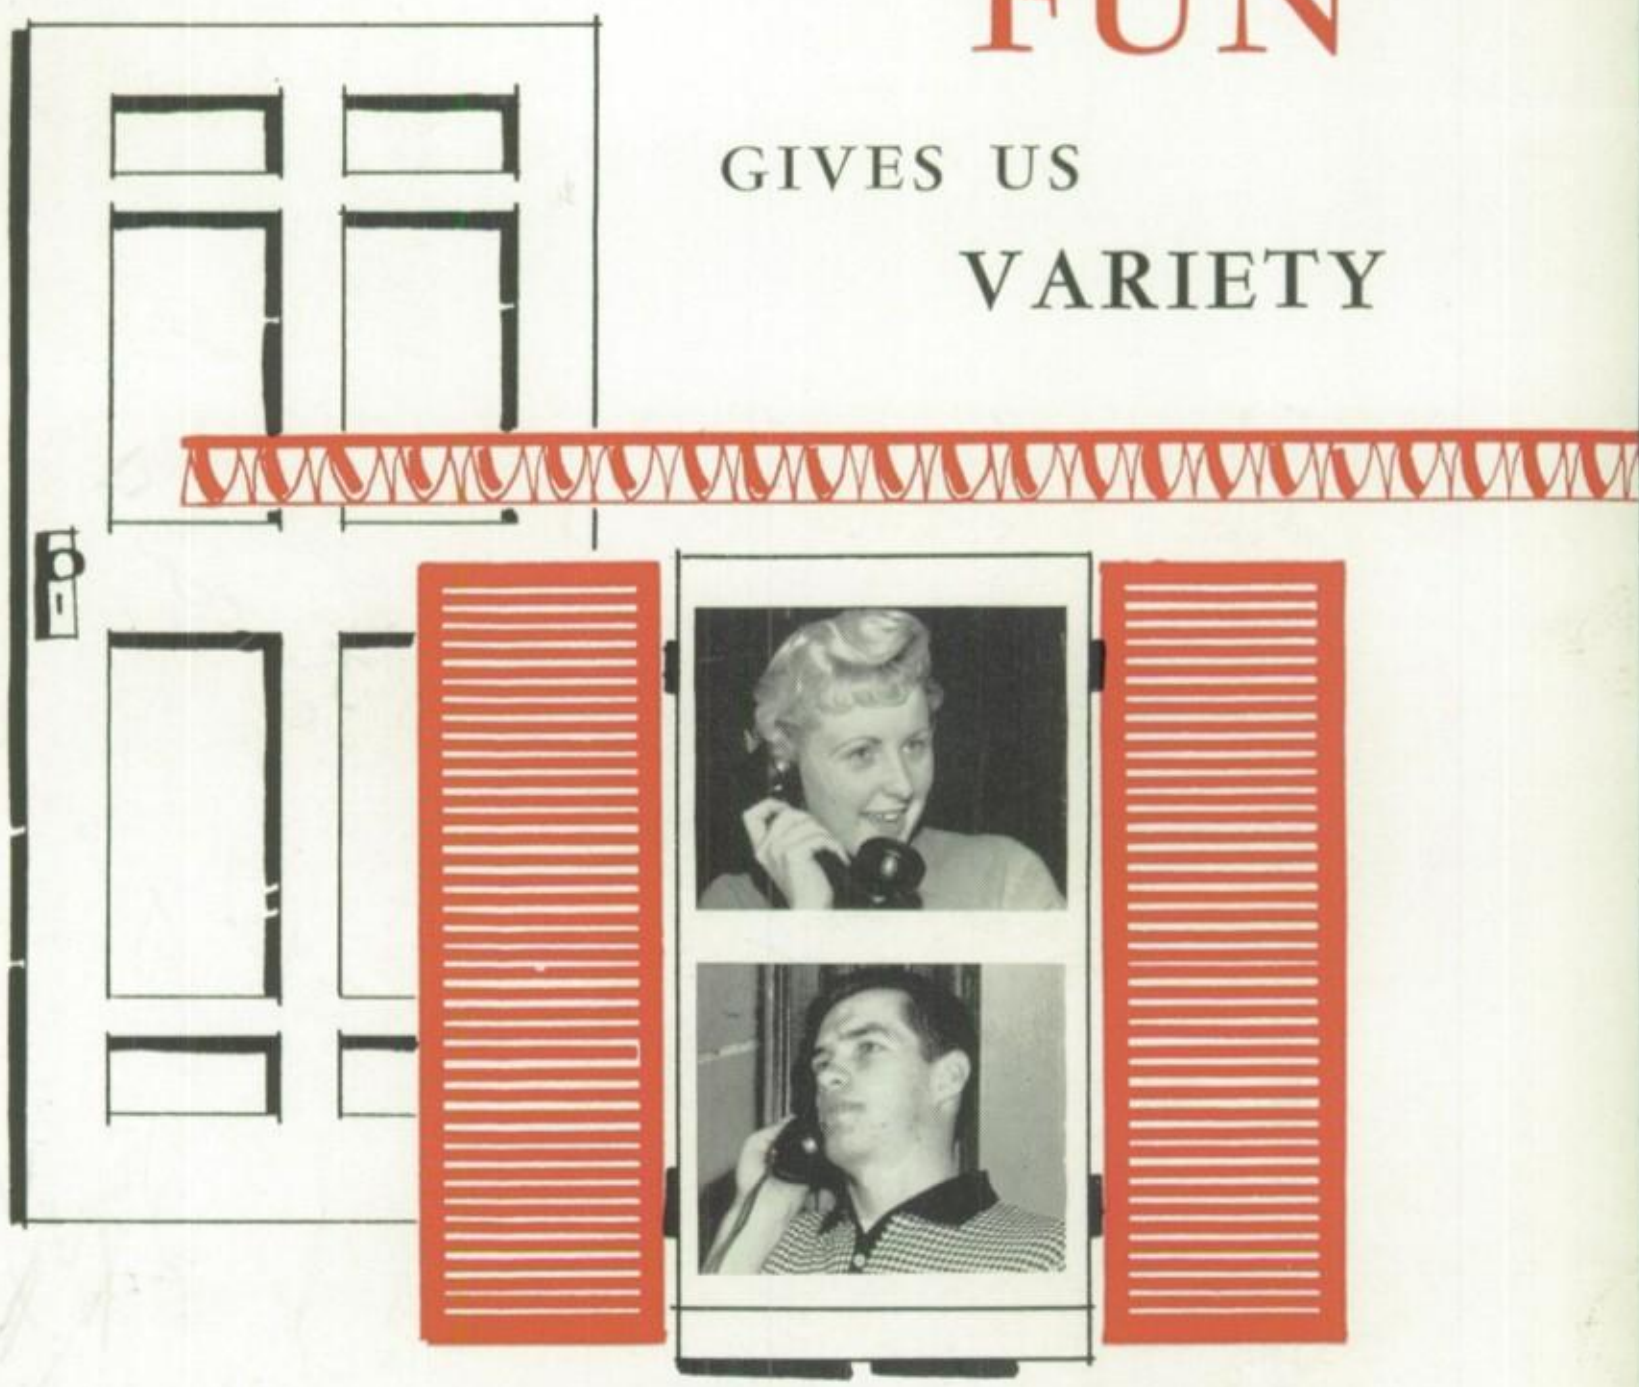
Religion gives the student support in his daily life. As the heavy beams support our building, so religion supports him with the strength and courage to live justly. He finds solace and understanding in the serenity of a church service, on his knees in prayer, in the reasons for his being, in the beauty of a sunset or a leaf in autumn, and in the knowledge that there is someone much greater than he.

IHS

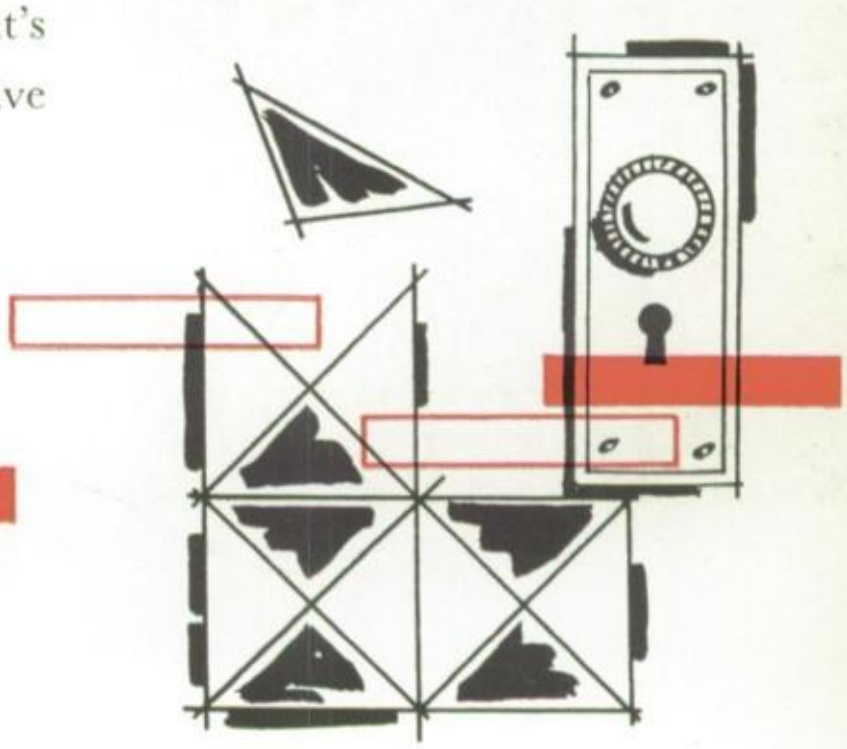


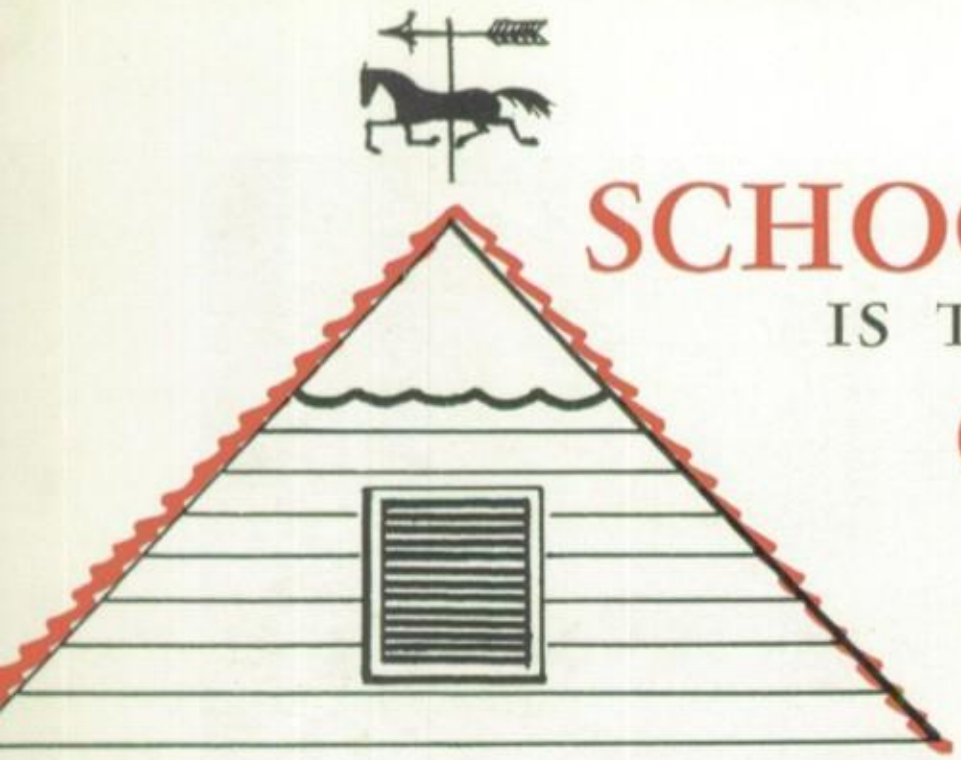
FUN

GIVES US VARIETY

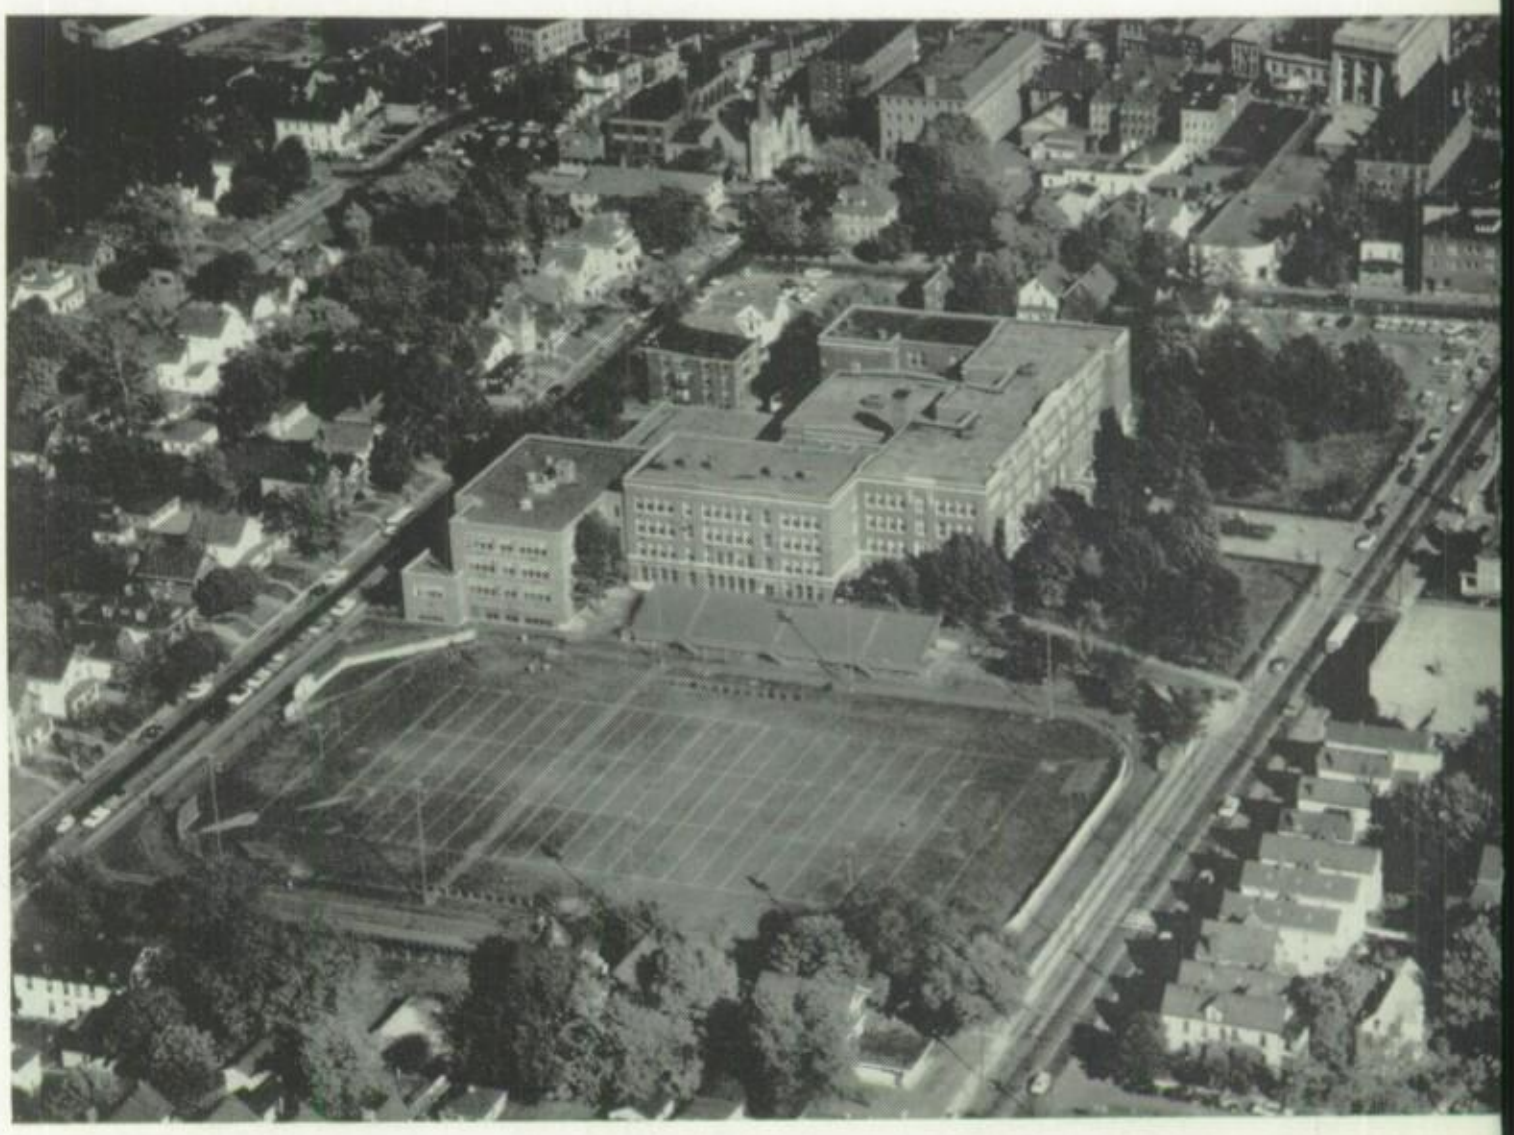


Fun varies the student's life and makes it more appealing. Fun is the white pillar, the new paint, the green shutters of our building and of the student's life. It is the trimming which makes him attractive and well-liked. It is the elixir of his life.





SCHOOL IS THE COMMON GROUND OF EVERY STUDENT



School life is the common ground upon which every student begins. Just as all buildings are constructed upon common earth, so every student constructs his life on the common ground of school. He may learn not only the knowledge found in books but also that found in friendship, leadership, and responsibility. Upon this common ground he may build a castle or a one-room shack.

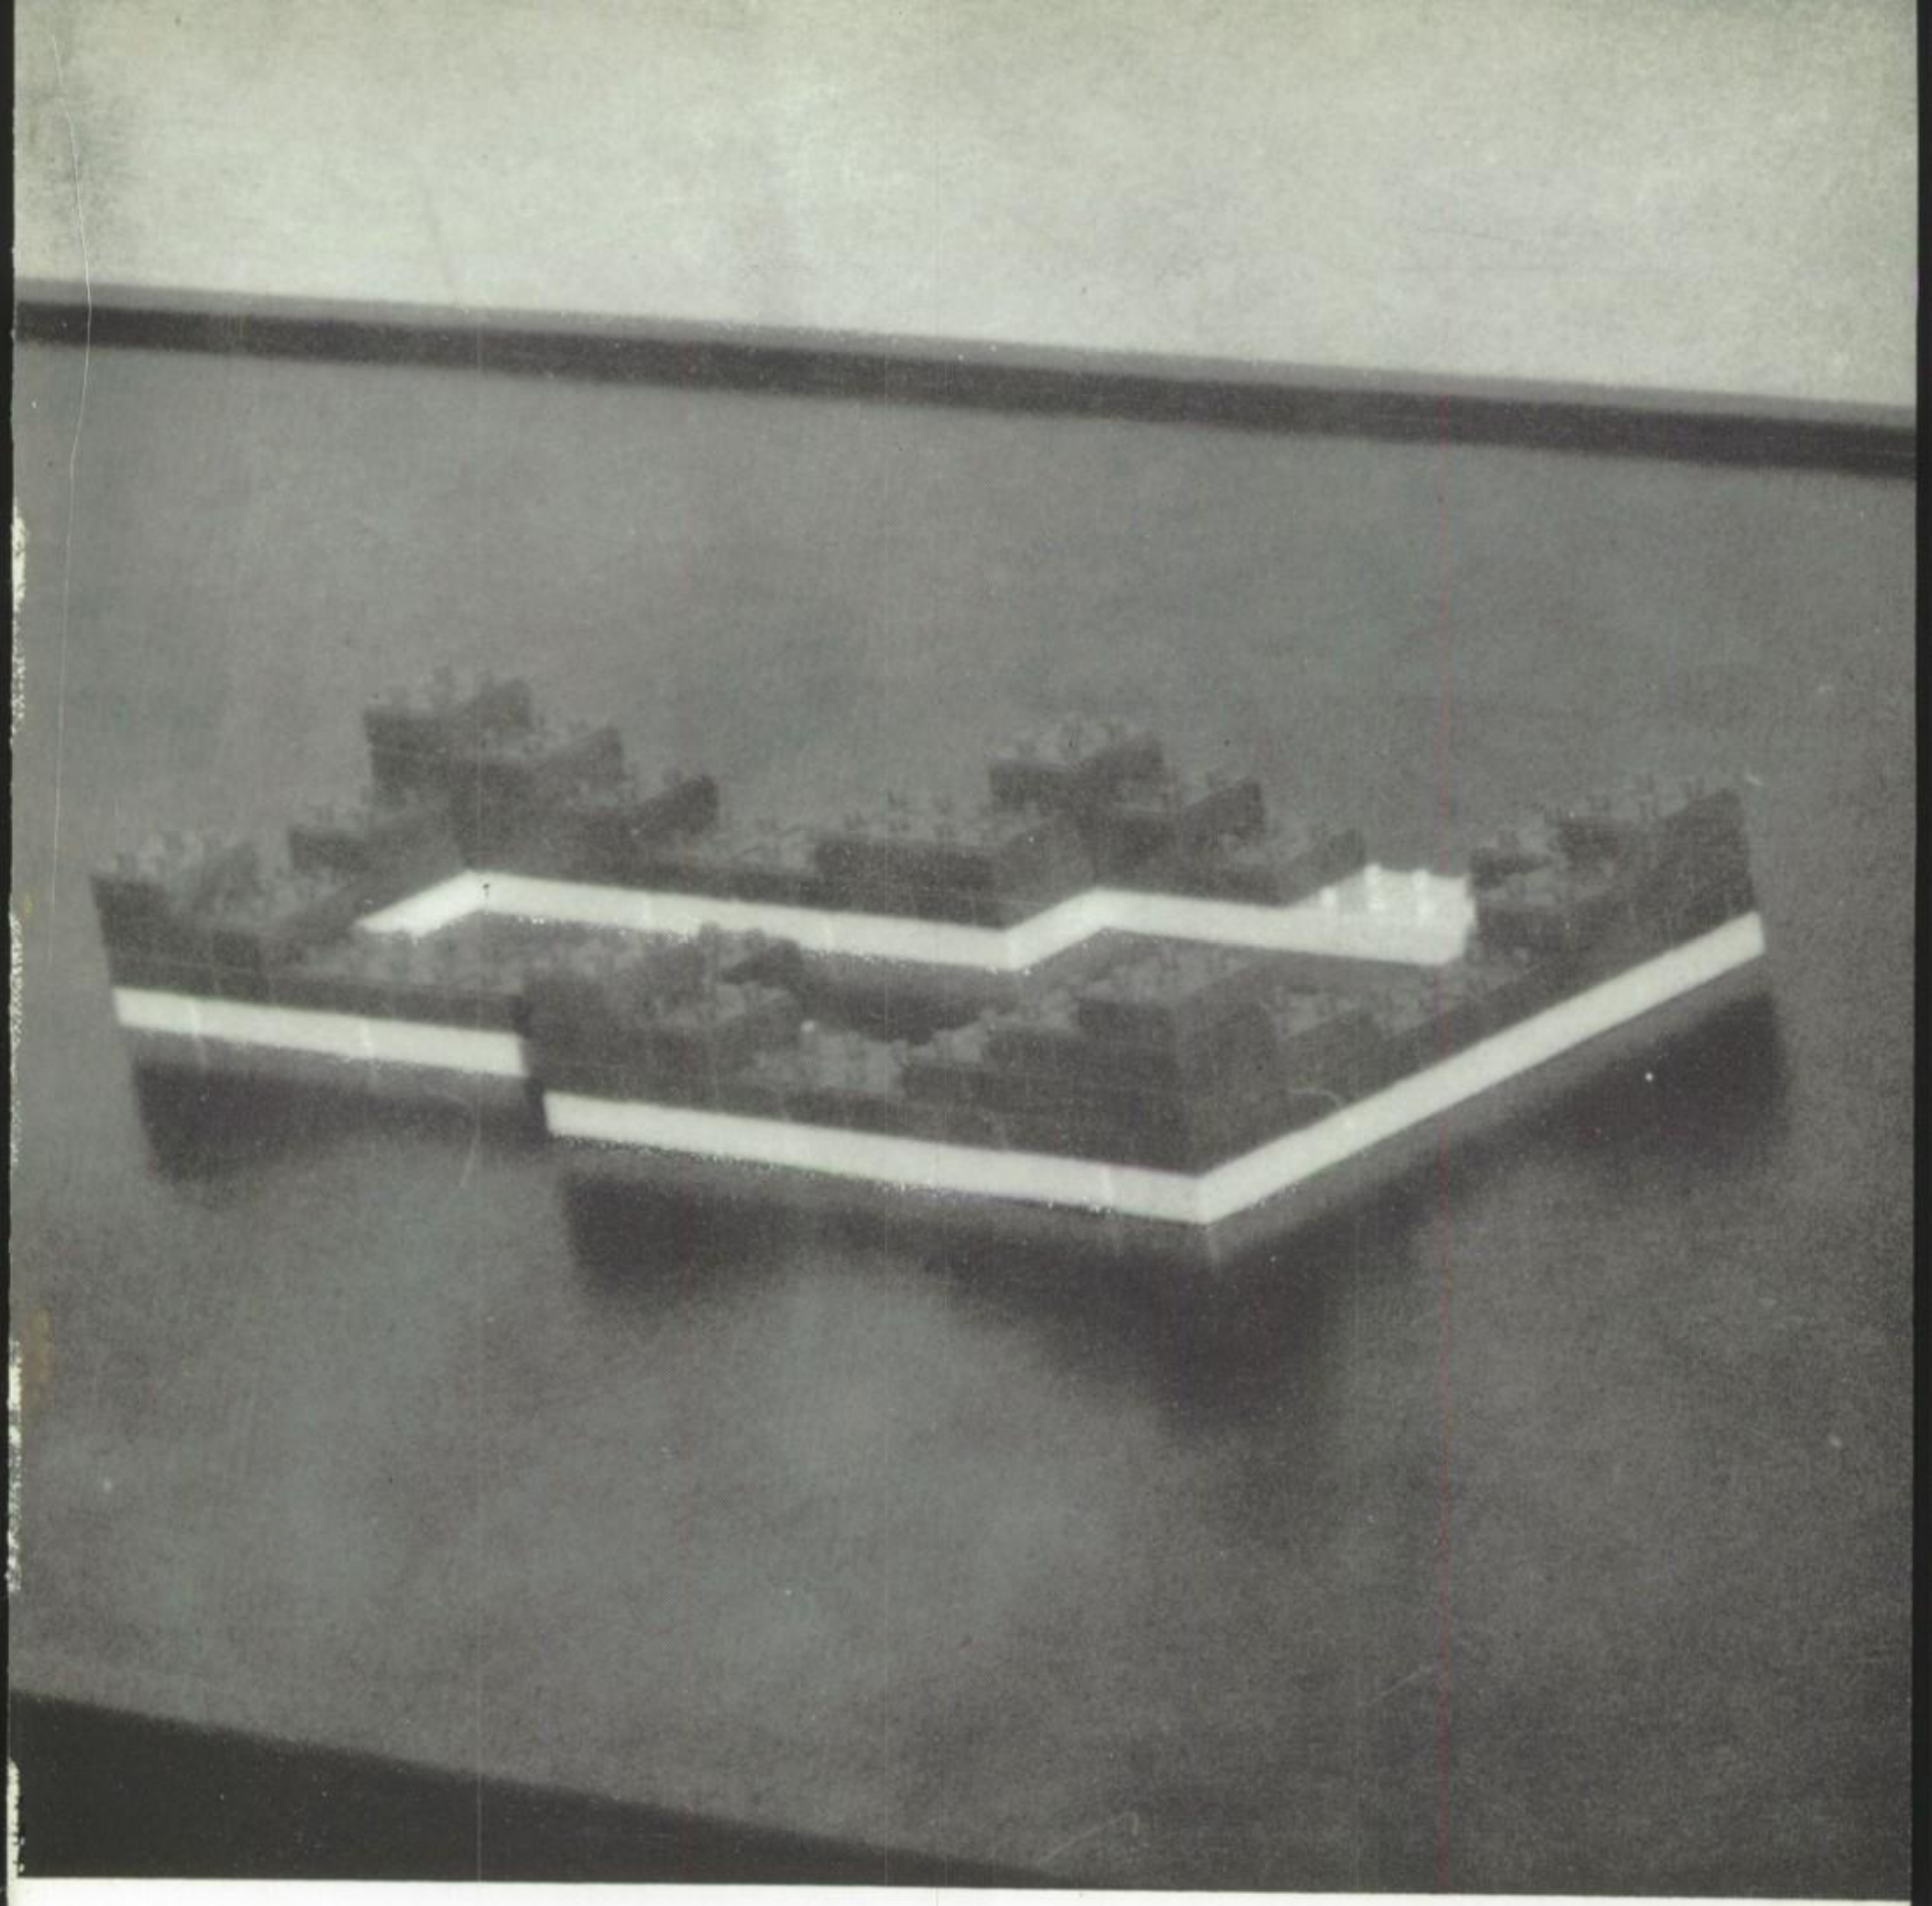
DEDICATION

Miss Charlotte E. Kehm is one of the builders of our school life. Her willingness to give the extra time and energy to help someone obtain a scholarship or a job has endeared her to many who have long ago left these halls and to the many who still walk them everyday. She is beloved as Dean of Girls by all those whom she has helped in solving their many problems. It is with great pride that we dedicate the 1960 SILHOUETTE to Miss Kehm—counselor, administrator, and humanitarian.

MISS KEHM

FACULTY



The faculty is the foundation of our school life. It is upon this foundation that our education is built. Each block in the foundation must be of the right shaping to construct a strong foundation; each member of the faculty must have the correct training to build strong the foundation of our education.

BOARD OF EDUCATION

The Board of Education consists of men devoted to our schooling. If a problem arises, these men are called upon to solve it. Improvements of all kinds are also handled by the Board of Education.

The officers for the next four years are Mr. Sullivan, President; Mr. Harold Funk, Vice-President; Mr. David Ramage, Mr. Charles Vogel, and Mr. Charles Evans.

We owe a great deal to these men. We can show our gratitude by studying hard and making the best of opportunities which are presented to us.

The task of choosing our faculty lies in the hands of the Board of Education. The proof of their fine selections are shown by the degrees owned by the members of our faculty. Norwood can be very proud of its well-trained faculty and hard-working members of the Board of Education.

ADMINISTRATION

Mr. Albert Geselbracht, principal; Mr. Elton Kistler, assistant principal; Mr. William Pace, dean of boys; and Miss Charlotte Kehm, dean of girls, are the four leaders of our school. Many problems are presented to these people and each is met with understanding and help.

Mr. Geselbracht is the leader of our administration. He can be seen at the many school activities working hard to make them a success.

Miss Kehm and Mr. Pace are the two deans who are confronted with everyday problems of our high school students.

Mr. Kistler, as assistant principal of the Technical School, is in charge of all vocational courses.

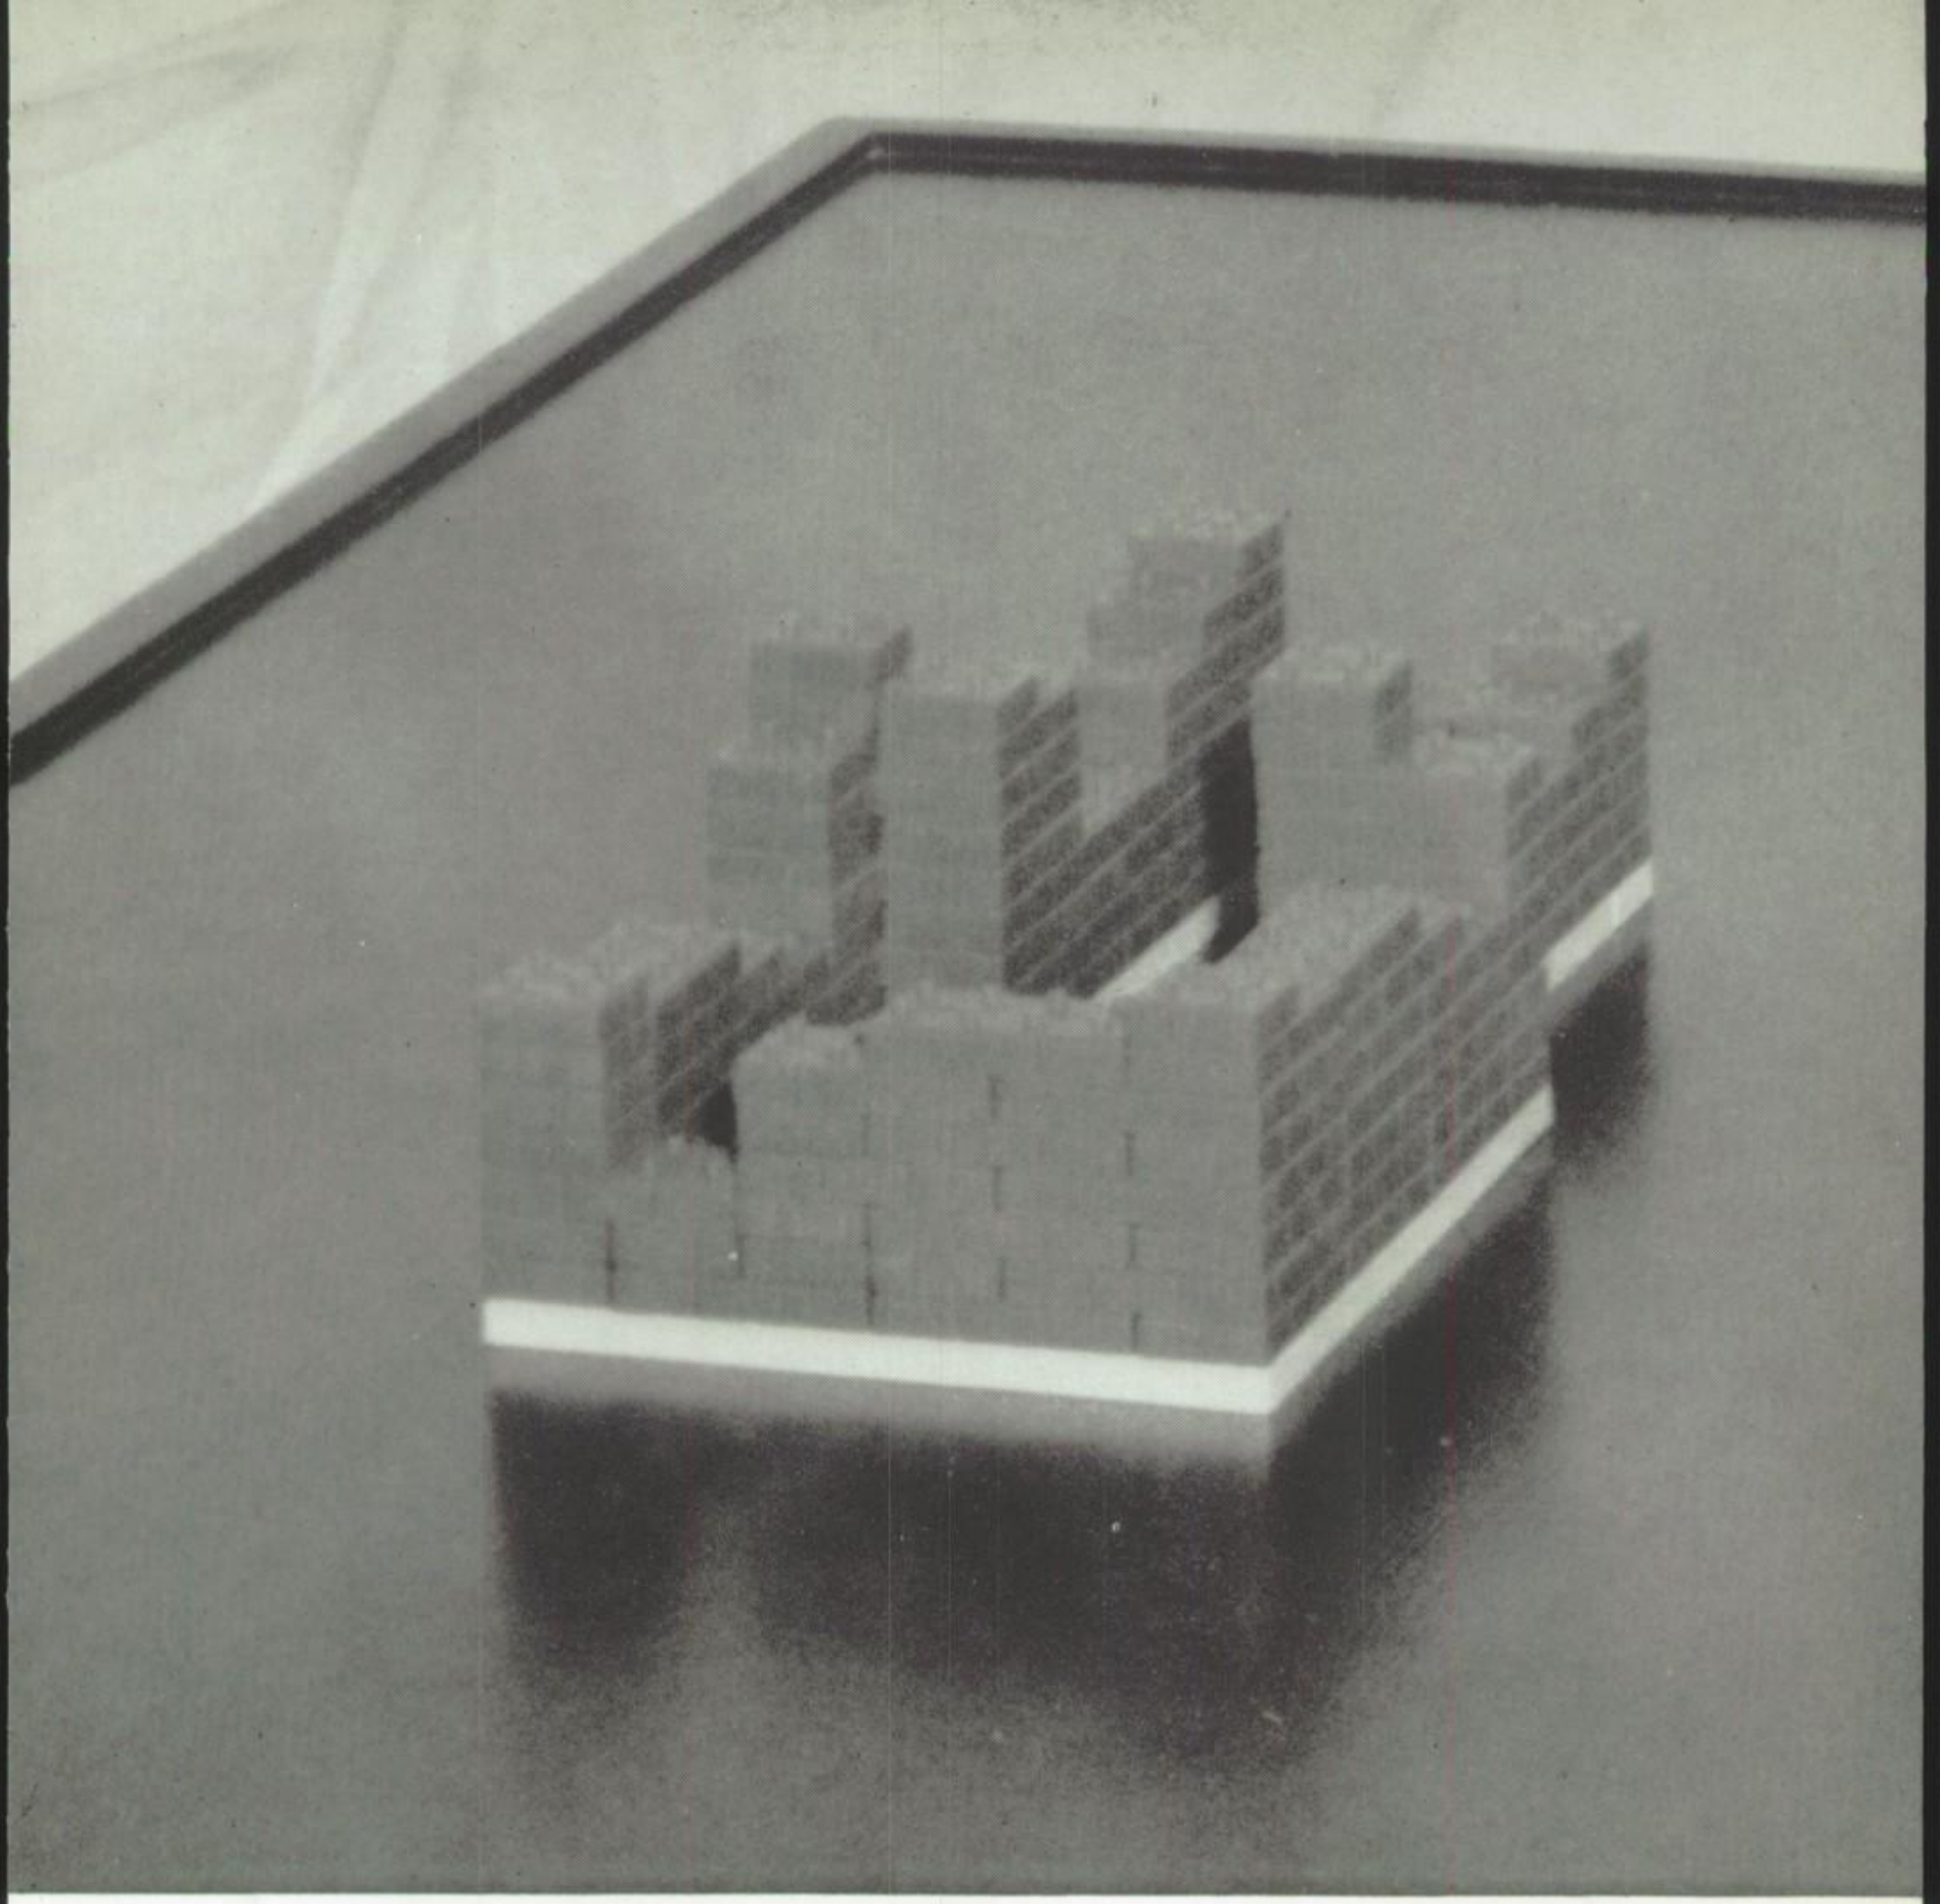
UNDERCLASSMEN



The underclassmen are the walls of our school life, walls which support our school. Our wall is composed of many bricks, close, interrelated with each other. Our underclassmen, like the bricks, are many and close together in the binding friendships of classmates. It is as underclassmen that they learn to lead and to follow, to direct and to support their friends and their classmates.

The junior year is full of various activities. The biggest events are the receiving of the class rings, the Junior Prom, and the Washington trip. On St. Patrick's Day the juniors sell shamrocks. During Girls' Week the girls put on the Junior Follies. However, the junior year is not all fun. There is always the inevitable term paper.

The big event of the sophomore year is the Sophomore Dance. Each year a boy and girl are elected "Best All-Round Sophomores." The main purpose of the dance is to raise money needed for their Junior Prom.

The sophomores begin to excel in sports; the reserve football, basketball, and cheerleading squads are mainly composed of sophomores.

The sophomores, having learned the ways of high school, settle

The governing body of Norwood High School is the Student Council. The view point of the student body is expressed by the representatives.

Every Wednesday morning the officers and a representative from each homeroom meet in 207 to plan activities and discuss suggestions for making N.H.S. a better school.

This year Student Council sponsored the first dance of the year. Each year Student Council sponsors a huge bonfire pep-rally on the athletic field.

At Thanksgiving time and the Yuletide needy families of Norwood are made very happy by Student Council donations.

Under the supervision of Mr. Geselbracht, principal, the Student Council creates a better understanding between the faculty and the student body.

Girls' Council, under the direction of Miss Kehm, is a busy organization. It is made up of a representative from each girls' homeroom.

Girls' Council is in charge of many programs, and it does a wonderful job of planning and putting them on. When winter arrives, the council aids in the transition from summer to winter clothes by designating a day when this change will take place. This day is called Red Flannels Day and is started by a fashion show put on by Girls' Council. The Council is also in charge of Cotton Day when clothes are again changed.

The high school's annual Christmas party and the tray favors made at Thanksgiving by each girls' homeroom are other programs under the direction of Girls' Council. Canned goods, collected at Thanksgiving for needy families, are put into baskets by the council.

With the increase of interest and emphasis in science and education there is still an awareness among Norwood's students of the importance of serving God. The members of Morning Watch meet every Tuesday at 7:50 A.M. in the chapel.

This group is non-denominational. The only requirement for membership is regular attendance. Upon becoming a member, a New Testament is presented by the Gideon Society.

The Thanksgiving and Christmas assemblies are the responsibility of the organization. Food donated by the members is used in the cornucopias at Thanksgiving and given to needy people. The daily devotions for the entire school are prepared by a Morning Watch committee. A supper is one of the extra activities, uniting the group in worship, service, and fellowship.

Miss Lois Ladley is the advisor for Morning Watch and works with them throughout the year planning their programs.

What do you think about that, Jerry?

Morning Watch meets once a week for its devotional services.

SILHOUETTE, 1960

Producing the SILHOUETTE is a rewarding task requiring the combined efforts of the entire staff—from the Seniors who serve as co-editors, business managers, sports editors, advertising managers, photographers, and feature writers, to the Juniors who handle odd jobs and money-making projects.

As the reader enjoys his new copy of the SILHOUETTE, such work as choosing new staff members, selection of co-editors, scheduling of Senior pictures and coverage of spring sports has already started for next year's edition.

Summer vacation doesn't halt work on our annual. At this time some staff members attend a yearbook conference. In these classes they learn how annuals are made. They also compare yearbooks and ideas with students from other schools. In August the Seniors on the staff meet several times and decide on the theme and organization of the book.

As the new school year begins the pace of work on the book quickens. Articles must be written; pictures must be taken and cropped; decisions must be made; money must be raised. Problems arise. Somehow they are all solved.

Soon Miss Morrison informs us of the deadline. Feverishly the staff works long, hard hours and as the deadline date arrives the job is done.

THE MIRROR

"Mr. Selzer, I can't write my headline," is a remark frequently heard in room 104 where the *Mirror* is written and edited.

On Thursday the *Mirror* is distributed, but the real work begins almost two weeks earlier. As soon as one paper is off to press the next one is in the planning.

A typical week of work goes like this:

Monday: Proofread the pages for Thursday and put up the assignments for the next issue.

Tuesday: Find people to fold papers at the printers and copyread the stories.

Wednesday: Separate papers into homerooms. Finish reading the copy and send it to the printers.

Thursday: Write the headliners and deliver them to the printers. This is the afternoon that the papers are distributed.

Friday: Paste the articles on their respective pages to be sent to the printers for next Thursday's issue. Then start planning the paper which is due in two weeks.

Monday the procedure starts all over, so the *Mirror* staff is always one week ahead of the school in news.

The Mirror Staff's work is never done. Their job is to report

French Club, made up of the various French language classes, is under the advisorship of Miss Ruth Miller.

The Mardi Gras, the annual French Club dance, is one of the outstanding dances of the school year. The highlight of this dance is the crowning of the Mardi Gras King and Queen which are picked by the student body. Last year's Mardi Gras King and Queen were V. J. Sears and Bobi Tenkman. Other money making projects are the tax stamp drive and bake sales. Much competition is brought out during the tax stamp drive. First, second, and third year groups compete for the prize which is usually a party. Several bake sales are held throughout the year to build the French Club treasury.

Money from the various projects is used to support a French boy and girl. They are considered as members of French Club and keep in correspondence with the group through Miss Miller.

Latin—dead? Not to the members of Norwood High's Latin Clubs under the supervision of Mrs. Margaret Scully. This year there are three Latin clubs because of the fact that there are so many second year students. These students are kept busy with the numerous activities and projects of the Latin Clubs. Each club has at least one bake sale a year to raise money for the treasury. The biggest project undertaken by the Latin Clubs is the Roman Holiday Dance. At this dance a Queen of Beauty is elected and presented with a golden apple. This presentation dates back to a Roman tradition that the most beautiful girl of their festivals be given a golden apple. Last year the honor was won by Janie Nast.

LATIN I

LATIN II

This year a Roman Banquet was added to the list of Latin Club activities. Last year the Latin Clubs established the precedent of giving silver keys to the outstanding Latin II student and to any student who places in the state on the scholarship tests. The winners were Bobbi DeVries, outstanding second year student, and Robert Stevenson, who placed in the state. The members of Norwood High's Latin Club may also belong to the Junior Classical League. This national organization aims to help promote interest in the Latin language and to help students realize the importance of our heritage from Roman Culture. Members of the J. C. L., as it is called, receive membership cards and silver pins, if they wish. The Junior Classical League also publishes a quarterly magazine containing news of the activities of other Latin Clubs.

"Languaje, historia, y costumbres." These three words are the bases of Spanish Club.

The first and most important is the language Although many newcomers (Spanish I) are not well informed in this field, they try their best to keep up with the advanced second and third year students.

History is a must in foreign languages. To understand the people, their feelings, and ideas, a student learning Spanish must learn the different colorful histories of the Latin American countries.

Customs are Latin America's most controversial subject. Every country south of the border has its

own way of expressing life and living it. To understand the people, we must know these ways.

Spanish Club has a colorful and well-planned program of activities throughout the school year. A Christmas party—which includes singing carols in the halls, exchanging gifts with other members, playing games, and sometimes presenting a play—is the club's main project.

Along with this, Spanish Club travels downtown once a year to a Spanish Inn. Spanish foods are eaten and the language is spoken with the waiters.

Mr. Wilson, advisor to Spanish Club, knows much about Latin America, because of his extensive travels among the various countries. April 14 marks a very important date in Mr. Wilson's calendar. This date is usually reserved for Pan American Day. An assembly is held for the whole student body to explain, through a Latin American speaker, the full meaning and origin of Pan American Day.

Throughout the whole year Spanish Club gives its members an enjoyable and educational time.

Sigma Alpha Tau offers to the boys of Norwood High School a recreational, mental, and spiritual chance to associate with other boys in the fellowship of Hi-Y. Twice a year new members are inducted into the club in a church ceremony. At this ceremony the inductees repeat the motto, "In Spirit Always Together," and the purpose, "To create, maintain, and extend throughout the home, school, and community high standards of Christian character."

Some of the many SAT activities are Slave Day, decoration of Christmas trees, a Christmas dance at which a junior girl is elected Queen of SAT, and ushering at the Easter services.

A new club was formed at the beginning of this year at the "Y." Its beginning membership was 30. Most of the members are in some kind of sport here at "Good Ole Norwood."

The boys adopted as their emblem the griffin, and their colors are crimson and gray. They meet at the "Y" on Wednesday night at 7:15.

The purpose of Alpha Sigma Kappa is to create and maintain throughout home and school, high standards of Christian Character. They have a basketball team and go on field trips to such places as the new police academy and the crematory. Their charity is proven at Thanksgiving and Christmas. On Thanksgiving they send a deserving family out for dinner and at Christmas decorate a children's home. One speaker who aroused interest was a Judo expert. This is a fine beginning for a new club, as they serve to make Norwood an even better school.

"N" Club is an organization to which any boy who has earned Freshman numerals and a Reserve or Varsity letter may belong. The purpose of the club is to promote good sportsmanship and fair play, a greater interest in sports, initiative and leadership among athletes, and a higher standing for athletics.

Under the superivsion of Mr. Sanderson and Mr. McAllister, the boys meet at 7:30 every second and fourth Monday in the "N" Club Room.

Each year after the football season the initiation of deserving new members is held.

The football and basketball programs are sold by the club members. At the basketball games candy is also sold by some of the boys.

"N" Club sponsors a dance each year during the basketball season. The president has the honor of crowning Varsity Vic and Kampus Kate. The members also attend various sporting events around the city.

The club gives a scholarship each year to a deserving member of "N" Club.

Led down the field by seven high-stepping majorettes, the Norwood High School Band gives many top-notch performances each season. The Band, consisting of 48 members, practices each morning throughout the football season so that they can provide entertainment during the half-time intermissions of home games.

The members also have sectional practice once a week so that Mr. Philips, the director, can check to see that each section has perfected its part for the Friday night show.

This year leading the band were the majorettes, Susie Glassmeyer, captain; Sandy Stout, Sandy Woeste, Janet Brackett, Jean Eden, Sandy Hipkins, and Merry Baker.

Each season is a busy one for the Norwood High School Orchestra. The Senior Class Play, the Drama Class Play, and other special assemblies are all given their appropriate musical settings by the Orchestra.

After football season is over, Mr. Philips very carefully tries out members of the band. Approximately 20 are chosen from 50 to be a part of this select group. In order to be chosen, Mr. Philips feels that a person must be highly interested in music, possess musical talent, and be a member of the band.

After they are chosen, new members meet in Room 2, elect officers, and start the hard work. The most orchestra members practice is three times a week, alternating with the band members so that they will be ready to play. They begin their practicing by studying a wide scope of music, usually semipopular. It ranges from classics by Mozart, Haydn, and Beethoven to the modern compositions by Gershwin.

Individual aid is given by Mr. Phillips.

The Norwood High School Choir, under the direction of Miss Pearl Ewing, is Norwood's largest choral group of boys and girls. It is made up of students who love to sing. Most of the students in the Choir are also in the other glee clubs. These boys and girls work very hard and have practice two days a week. During the year they learn many songs of a mixed variety.

The Choir, along with the other glee clubs, has one main project to make money. This is their annual chocolate sale and the money is used to buy equipment the clubs need, such as risers, robes, and music.

The Choir doesn't just practice for the fun of it, although they all enjoy the singing. At

The biggest project of the whole year is the annual Spring Concert. This year it was held on the 29th of April. Choir works very hard getting ready for this. The finale of the concert is "The Battle Hymn of Republic," which is sung by the Choir.

Choir is not only an outlet for all musical talents, but is also good experience in group organization and leadership.

Miss Ewing does a fine job every year, and she should be extremely proud of the work her students is doing.

under direction of Miss Ewing, to sing for the Spring Concert.

Theta girls' glee club, and Omicron, boys' glee club, are the starting groups for choral-singing. Each group learns to blend their light and dark voices into one mellow unit.

With the knowledge and experience gained by participating in Omicron and Theta a few select girls and boys sing in the Apollo Choir. The members of the Apollo Choir appear many times throughout the school year in a variety of programs.

The Apollo Choir's song repertoire is even larger than both glee clubs combined. Besides learning seasonal songs, a large selection of gay, spiritual, and solemn songs are learned.

The Apollo Choir meets a bell a day to sing and plan for future programs. This year the Apollo Choir was also Norwood High School's bell choir. The bells, included in some programs throughout the year, added extra musical beauty.

The girls and boys belonging to the glee clubs, work hard for the final activity for the singing groups, the annual Spring Concert.

The girls of the Cosmotology Club are busy all year using their talents and skills to help other people. The club works both for charity and for payment. The girls visit the Drake Memorial Hospital and the Hamilton County Home to cut the hair of the aged and retarded. The girls also practice their talents, hair-styling and manicuring, on ladies who pay a reduced rate. The work, both reasonable and excellently done, is beneficial to the student and to the customer.

Some of the girls have so excelled in their chosen field as to win in hair-styling contests. Certainly, here again, Norwood has made through fine equipment and guidance great strides in vocational training.

Through the efforts of their instructors and the high reputation of Norwood, the girls are placed in excellent positions after graduation.

After class the girls plan many projects. At Christmas time a party is planned. The money received from this Christmas party is used to help underprivileged children.

The Cuisine Club, having just organized this year, has a good start. The club is made up of boys interested in cooking and preparing meals. They have been putting their skills to good use and practice by helping the school.

Every Tuesday and Thursday the boys are busy in the tearoom preparing meals and doing a good job of it. Here they are able to get practice and show what they can do. At Thanksgiving and Christmas special dinners are prepared for the guests. This year they prepared a Christmas buffet for one hundred persons. Featured at this buffet was a candle of ice that burned during the entire meal. The people who eat in the tearoom are grateful for this fine service.

Cooking isn't all the boys do, although it's a major interest. During the year they enjoy having picnics and going on trips to hotels to observe the professional chefs prepare food. They also contribute money, which they've earned, to needy organizations.

This year on November 11, the junior and senior members were eligible to attend Health Careers Day. On this day they spent time with a person in the field of their choice. Mrs. Easton, Mrs. Baum, and Mrs. Sherman are advisors.

Future Nurses and machinists make plans for their life's work.

In Room 23, the home of machine shop, the boys interested in machines of all kinds get their training. Their advisor is Mr. Barney. All is not work, however, for every year they take trips to such places as the Rainbow Bakery, American Laundry, and the Cincinnati Milling Machine. Spurlock dodges crashing linebacker.

The Norwood Indians' football squad started off slowly in summer practice, losing two scrimmage games to Central and Greenhills. The hard work in 95 degree weather paid off, as they beat Walnut Hills 8 to 6 in the opener. The Indians got the big break of the game when the ball was centered over the Walnut Hills punter's head and went as a safety for Norwood's benefit.

A fired up Woodward squad came to the Indians' field and broke a five year losing streak in the second encounter of the season. Woodward, finishing the season as P.H.S.L. champs, gave the Indians a rough time, as the Bulldogs won 50 to 16.

Princeton's big team was the first league challenge for the Indians. Princeton couldn't score, as the rougher Indians won 12 to 0.

The Indians journeyed to Taylor for their first away game. Taylor's H.C.L. champs lessened Norwood's championship hopes, as they defeated the Indians 21 to 6.

In the next two games the Indians scalped a big Colerain squad and the new entry to the H.C.L., Oak Hills. Colerain came to the Sherman Avenue field with two fast halfbacks and a 220 pound fullback. The fired up strong Indian defense stopped these highly touted backs cold. Oakhills, being a new and inexperienced school, didn't give the tribe too much competition.

In the seventh week of the season Norwood went to Anderson to play a very important league game. Many pre-season predictions picked Anderson to win the H.C.L. Anderson had a fine all-city quarterback and a good line. The offensive ground work and the strong defensive play of Norwood helped the Indians to win 22 to 0.

In the final two games of the season the Indians beat a strong Harrison squad 26 to 18, and were defeated by Sycamore 22 to 6.

Many fine individual performances were cited. Leading the tribe among these individuals was all-city second scorer, Bill Barnes. "Barnesy" ran up a total of 90 points and had a good average ground-gaining record. Other outstanding offensive players were Ron Wagers, Don Parker, and blockers John Calchera and Mike Sittason. Outstanding on defensive were Wendell Richardson, Jack Hern, Hank Sellers, Steve Eads, and Ken Smith.

Although no trophies, titles, or championships were won, the Norwood footballers compiled an admirable 6 won-3 lost record.

Freshman Football

Having no special league to play in, the freshmen gridmen squad played neighboring junior high-schools. With Denny Schlie and Jerry Fischer as the squad's top scorers, the team lost their first two games to Schwab, 7 to 28, and Wyoming, 14 to 21. But the Frosh quickly rallied to the cause by defeating Princeton 16 to 0, Colerain 20 to 7, and Deer Park 16 to 7. After their first defeat with Norwood, Princeton came back to even the score by defeating Norwood 6 to 32, and Mt. Healthy won 7 to 24.

Freshman Basketball

The Norwood Freshman basketball team, coached by Mr. Sanderson, won six games while dropping five tilts. After winning only one of its first four games, the team rallied and captured five of its last seven contests.

The team's most decisive victory came when it stunned Indian Hills 56-18. Their most satisfying win was a 41-37 victory over Purcell after losing 48-31 to them earlier.

Norwood's leading scorer was Fischer with 79 points.

Norwood's Junior Varsity started the season as defending champions of the H.C.L. under a new coach, Mr. McAllister. Under his leadership the Junior Indians rallied to defeat league teams Taylor, Oak Hills, and Colerain. League teams which proved too much for the Indians were Princeton, Sycamore, Anderson, and Harrison. In non-league competition the junior cagers defeated over half the teams played.

The J.V.'s had some fine shooters lead by forwards Jim Monhollen and Clark Eads. Other outstanding players also looking forward to Coach Anderson's varsity were Seale, Munz, and Wallace.

Long before football season was over, the cagers of Norwood began practicing for a tough roundball season ahead of them. The 1959-1960 Varsity Basketball season opened with a bang as Norwood took its first two games from Milford and Amelia with the scores of 56-41 and 54-45, respectively.

As Norwood's first league game came along with Princeton, the team's morale was high. But much to our dismay, we could not hold back Princeton's outstanding team and found we had to settle for a score of 53-72. Wilder, with 17 points, and Saunders were vital help to Princeton's victory over Norwood.

The next game on the Indians' agenda was with Withrow who placed in the PHSL of Cincinnati. Despite the efforts of high scoring Don Parker and Tom Spurlock the Indians could not hold back the Tigers and were defeated 56-36.

Since Taylor was the next league rival and much remembered from football season, the cagers put in a week of hard practice. For the first three quarters the Indians put on a press and were able to keep with the Yellowjackets till the fourth. But as the final quarter started, the press lost its effect and Taylor broke out with a ten point lead which could not be overcome, leaving the final score at 62-69.

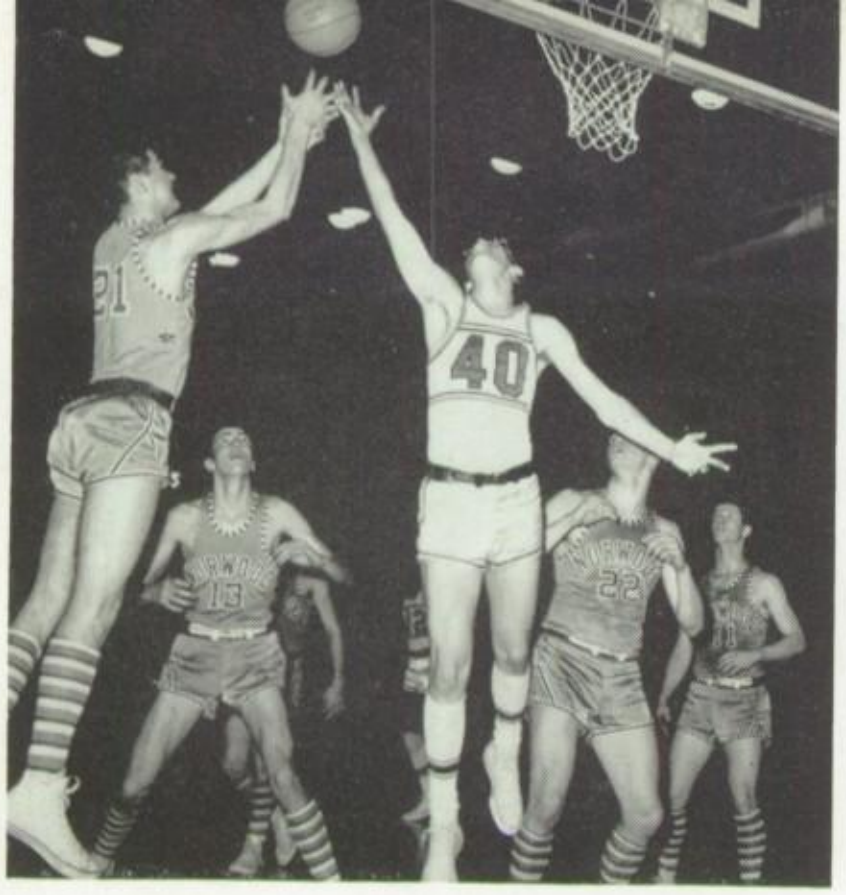
The third league game of the season was with Colerain. Lack of experience and height proved to be Norwood's downfall as Colerain slipped by with a margin of five points, 59-54.

Another much remembered rival from football season was Sycamore, next on the Indians' schedule. This was a hard slow-down game for the Indians. The Indians tried a 1-2-2 zone spread but found that Smith of Sycamore along with the other four cagers were able to win the game 32-41.

The next week the Indians took a trip to Hamilton Catholic and found themselves keeping close to the opposition for the first three quarters. The game was fast moving and not until the fourth quarter did Hamilton Catholic gain enough points to defeat the Indians, 60-50.

Our next encounter was with the Redskins of Anderson. With Captain Jack Hern and Gary Hobt leading the Indians, a fighting battle was lost to the Redskins by five points, 57-52.

Then followed Oak Hills who also managed to pass by with a small margin, 45-46, despite the high scoring of Jerry Reynolds.



Nice shot, Bill.

Easy lay-up.

Coaches and captain; left to right, Mr. Anderson, Jack Hern, Mr. McAllister.

Bill Sheafer and Gary Stanford showed good potential in the Harrison game although the cagers as a whole could not stop Harrison as they defeated us 79-52.

Gary Brewer was a high scorer for Norwood in a hard fought Hamilton Taft game. In spite of this, defeat was again in store for the team, 59-56.

But the Indians were not to hold their losing streak all season. After the Hamilton Taft game the Indians rallied to beat Deer Park, 78-70 with Bill Barnes contributing fourteen points.

Then following the example of all sports teams at Norwood this year, the Indians fought a long and hard battle with Walnut Hills, scalping the Eagles 66-62. Jack Hern, Bill Sheafer, and Bill Barnes were all high scorers during the game.

Norwood drew Deer Park as their first opponent in the Southwestern District Tournament and beat them, 54-43, but Central proved a little too much despite the fact the game was one of the Indians' best. Throughout the season "Duke" Anderson's team was marked with high point averages by Parker, Hobt, and Brewer, high percentage in free throws by Parker and Spurlock, and high percentage in field goals by Hobt and Sheafer.

After losing four of their first five games, Coach Ludwig's Indians rallied to finish the year with eleven wins and only five losses. By winning all six of their league games the Norwood nine became Hamilton County League champions. The team was led by pitcher Gary Hobt, shortstop and captain Tom Hock, and centerfielder Bill Stephenson, the "Most Valuable Player."

The cross country squad, coached by "Dutch" Ludwig, is a member of the Hamilton County League. This year about twenty boys came out at the beginning of the season. Almost all remained with the team. The boys participated in several meets including the All-County and District meets. Ed Baker, team captain, Charlie Wyatt, and Jerry Reynolds were the team's standouts.

Dial and Sears are high point men at end of '59 track season.

This year's edition of Norwood's cindermen participated in the Harrison relays and the Hamilton County League meet. In the Harrison relays Norwood copped fourth place finishes in the two mile relay and the mile run. In the Hamilton County League meet the Indians faired better. In the senior division the Red and Blue warriors secured fourth place in the final standings as team captain Doug Dial and V. J. Sears placed first and second in the high jump and Bill Barnes placed fifth in the discus throw. In the junior division our track boys did better as they came in second in a field of nine teams. Norwoodites were winners of six places in four junior events. David Palmer tied for third in the high jump. Danny Christian was third in the broad jump. Ed Briggeman placed first in the junior discus throw. Terry Nieman and Harry Hammond placed second and third in the shot put. Wendell Richardson was elected captain of this year's squad.

GOLF

After being inactive for a few years Norwood High's golf team was again started last year. Under the supervision of Mr. Gerrard, the team played in the Hamilton County League and at the District Tournament. With Stan Stabner, captain, Larry Hoffman, Tom Dunbar, and John Hollifield alternating with John Miller as the starting team, the foursome ended the season with two wins and third place in the tournament.

"Indians, let's go!" This familiar refrain starts every cheer which the varsity cheerleaders lead. The cheerleaders are the girls who try to build up school spirit and let the team know we're behind them.

With their white pleated skirts, red sweaters was blue 'N's' on them, and white gym shoes, they are a fine example of Norwood. During the football season, they wear blue slacks and white Norwood jackets.

No matter whether we're winning or losing, the cheerleaders are out on the floor yelling and building up pep.

The cheerleaders for the 1959-60 season have chosen Janie Nast as their captain. The rest of the squad consists of two seniors and three juniors. The seniors are Charlane Mitchell and Janis Gannaway. The juniors are Beth Vaughan, Sandy Henson and Flo Franklin.

These girls have a great responsibility. In many instances the reputation of Norwood lies in their hands.

"We're with you team! We're with you team! So, Fight! Fight! Fight!" Yes, the girls of the Pep Club are with the team when they cheer the boys on to victory.

At each game the girls sit together in the center section of the new bleachers. Cheering along with the cheerleaders, they encourage the fellow students seated around them to join in and cheer for the team.

Even though no warpaint or blankets are worn, the girls look like true Norwood papooses donned in their white felt head bands with blue and red feathers. To go with the head bands, the girls wear white gloves.

The Pep Club, started by the cheerleaders, is two years old. Last year the club used cards to form NHS, HI, and INDIANS during the games. This year, because of a late start, working with the cards was not possible. Next year the card tricks will be resumed.

Another part of Pep Club is the Precision Line. Headed this year by Co-Captains Susie Glassmeyer and Sandy Woeste, both majorettes, the girls do close order drills during the half-times at the basketball games. Advised by Miss Noel, they work hard practicing the many formations and drills for their performances.

the managers, officers, and representatives for classes. The officers and managers are elected by girls in GAA. To climax the year for members of the board, both newly elected members and old members have a board weekend. On the weekend the new managers learn their duties, and the entire group discusses the GAA activities for the next year. Besides participating in sports, girls in GAA run the shack during football games and receive points for their service emblems.

TENNIS

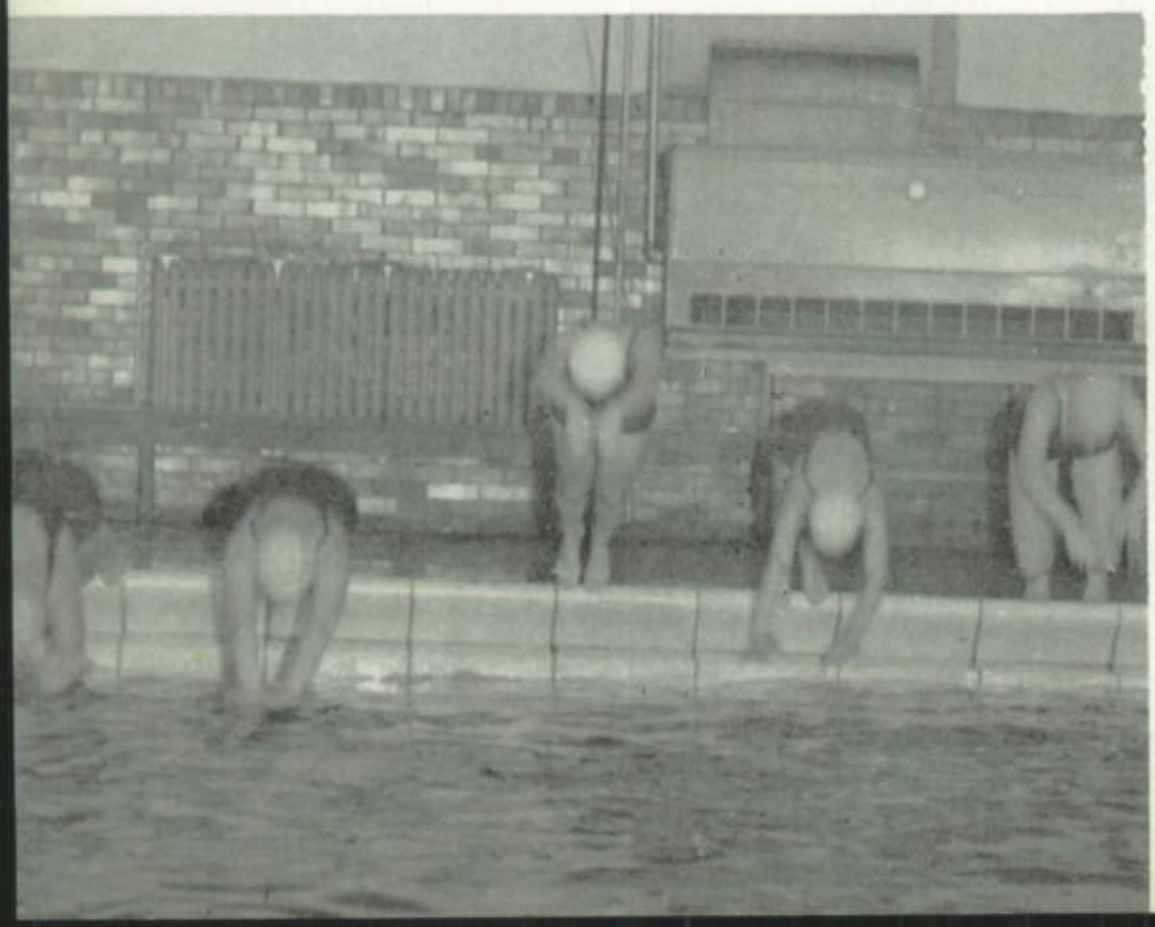
GAA includes, among its spring sports, tennis. The tennis manager is in charge of accrediting one point per set played toward the individual girl's record. The girls play at local courts in Norwood and all points go toward the tennis emblem. Gym instructors recently began teaching tennis in their classes.

Whack! Another one across the net.

FIELD HOCKEY

Ground! Sticks! Ground! Sticks! Ground! Sticks! Crack. Another hockey game begins. After learning the fundamentals of hockey in gym classes, GAA girls may apply what they have learned during games played after school in which the different grades oppose each other. By participating in these after-school games, girls earn GAA points toward emblems.

Gangway as the hockey team heads for the field.



SWIMMING

Every swimming meet here at Norwood begins with a splash. Along with free swims, they are a part of GAA. Points are given towards the swimming emblems for participating in the meets and endurance swimming. One point is given for swimming five lengths of the pool. Points gained are also credited towards the big "N."

Uneven start handicaps swimmers.

BOWLING

Every Tuesday after school many Norwood High girls are seen hurrying to Stacey's Bowling Lanes. There much fun is in store besides the chance to earn GAA points.

Bowling is a healthful and enjoyable sport, and Norwood High is very lucky to be able to go to Stacey's.

Freshmen select bowling balls before their first game.

ARCHERY

A bullseye! This cry is heard by those passing Norwood High every Spring. To end the school year and begin summer sports, GAA sets up the targets and the arrows begin to fly. The five points given for attendance and half the shooting score are totaled. When a girl has one hundred of these points. she is awarded an archery emblem.

Donna brags as she retrieves her arrow from bullseye.

HIKING

Tramp, tramp, tramp! This sound is not unfamiliar to girls who go on the hikes that GAA has on a few Saturdays of the year. Taking lunches, the girls set out from the school to parks in Cincinnati. Although a few feet get tired, fun is had by all while earning GAA points.

Far away look shows spirit of adventure hikers share.

SOFTBALL

Softball, the favorite of many girls, is another sport included in the GAA program. The game is first played during gym class when the girls learn the rules and practice to perfect them. After school GAA participants form teams and practice for a final tournament. Besides earning GAA points, the girls have fun playing a variation of the nation's favorite summertime sport.

Good catch and strike three!

MODERN DANCE

Modern Dance is a group composed of energetic girls. These people meet after school in the girls' gym on specified nights.

They divide into groups. These groups then pick a theme and plan a dance centered around it. This theme usually has something to do with the group's feeling.

Even though there may be a few pulled muscles, the girls have good times earning GAA points.

Modern dancers demonstrate dancing techniques.

"N" GIRLS

Girls who participate in GAA receive an award for their work. To most girls in GAA taking part in the sports is fun at work. A big "N" is awarded to the girls who win five hundred points in GAA activities. The big "N" is the ultimate for any atheletic girl at Norwood.

Girls smile after receiving big "N" award.

BASKETBALL

"Charging" is one of the calls heard most during basketball season. The big tournament is held during Girls' Week, and awards are given at the end of the week.

Even though girls' basketball is different from boys' basketball, it is a great sport and many girls enjoy it.

Room 117, Girls' Week Basketball Champions, proudly pose with their mascot.

VOLLEYBALL

Volleyball, the usual "end of-the-year" sport, can also be enjoyed by GAA girls after school. After a few practice games, the competition begins, each team hoping that it will win. Volleyball is one of the sports popular among homeroom teams.

Team tries for winning point.

LIFE SAVING

For girls who like to swim, GAA offers a course in Life Saving. The course alternates between junior and senior life saving so that each girl will have a chance to complete both courses. Age is the only limitation for participating in life saving. To pass the course the girls must pass a written test and an actual test in the water.

Perfect form! Senior Life Savers demonstrate equipment.

SENIORS

Seniors are the roof of our school life. They are the royalty, the superlatives which crown our school life. They are the roof which protects the underclassmen from the chaos of inexperience. They are the end-product, the finishing touch of our school.

The Senior class of 1960 can well remember the events of the past four years. These years represent a small but important portion of our lives and have made a pathway for our success in the future.

When freshmen, young and afraid, we joined the clubs and sports. During this initial year we elected Janie Nast, president; Mike Hammersmith, vice president; Nancy Woolley, secretary; and Bobi Tenkman, treasurer.

Still underclassmen but more sure of ourselves, we entered our sophomore year. A big event for us was our "Soph Ball." The officers were Bill Dugle, president; Sandy Stout, vice president; Janis Gannaway, secretary; and Larry Hathaway, treasurer.

The Junior Prom— term papers— the Washington trip—and the mere fact that we would be Seniors made our junior year exciting. Janie Nast was crowned Junior Prom Queen by our president, Bill Dugle. Other officers for the year were Janie Nast, vice president; Janis Gannaway, secretary; and Gary Hobt, treasurer.

We now have reached the pinnacle of our careers in high school—we are Seniors. It is a year of many memorable things— the class play, the homecoming game, receiving calling cards, and GRADUATION.

As graduation approaches and as we walk down the aisle to receive our diplomas, we see a very successful Senior year end.

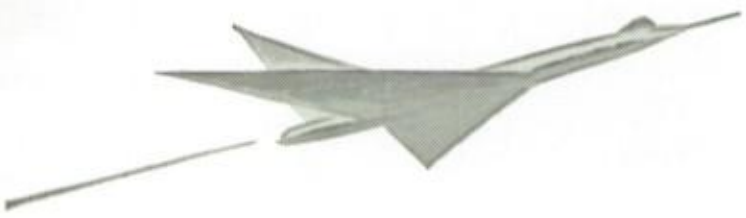
The Promise of Tomorrow



The future of our society is geared to a continuing supply of new knowledge . . . fresh enthusiasms . . . untried ideas.

Progress comes with creative effort by imaginative people. At Allis-Chalmers, such people work together around the calendar in a constant search for better means to better living.

America's continuing quest for improvement means growing opportunity for the individual . . . continued advancement for our nation. That's the promise of tomorrow.

Yes, and this fact shouldn't really astonish any of us here in Greater Cincinnati, because we know that Globe-Wernicke has been introducing "firsts" in office furniture and supplies since 1882. The first G/W sectional bookcase pioneered modular furniture, which is represented in the renowned metal Techniplan modular desk equipment of today. Another Globe-Wernicke first was the vertical file which revolutionized office record keeping and ended the era of pigeon-hole desks. Globe-Wernicke was the first to manufacture metal, private office furniture in full color selections which allows function to team with appearance for a practical result that pleases top management everywhere.

This is how Cincinnatians working at Globe-Wernicke truly make business a pleasure for business people all over the world . . . and why you may have a Globe-Wernicke FIRST in your home or office.

Now that you have an education do you know these answers:—

IF

Alcoholism is a disease

Why sell licenses to propagate it?

Why have a half-million outlets in the U.S.A. to spread it?

Why advertise and sell a product that causes a disease?

When NO corrective medicine is known, why aren't more people working at PREVENTION?

What other disease is habit-forming and produces crime?

If alcoholism is a disease why doesn't God's Word include leprosy and palsy as it does drunkenness in

Galatians 5:19 to 23

I Corinthians 6:9 and 10

Be Warned by I Corinthians 6:11

If you don't drink Alcohol, you will NEVER be an ALCOHOLIC.

What is a yearbook? What specifically is our 1960 SILHOUETTE? These are good questions—questions we have attempted to answer in this, our annual.

A literal translation of yearbook might perhaps be "story of a year." This year's SILHOUETTE is a living picture story of our clubs, of our teams, and of our classmates of 1960 at Norwood High School.

This was our year spent at Norwood, and this book *is* of our year and is for us. This yearbook is for the students of the present, from the smallest freshman to the largest Senior.

More than that, however, the yearbook is a memory book, a sort of picture album and diary over which we can spend in the future many pleasant hours reminiscing of when we used to go with Joe or when we played basketball or when we won a prize in Girls' Week.

We hope that this year's SILHOUETTE has told this story of '60 at Norwood vividly and accurately. It was a lot of work, but work well worth while if you as students enjoy the 1960 **SILHOUETTE.**

Judy!

Do a real sweet
girl with an extended
vocabulary. You
have all the qualities a guy
could ever want who ever wins
you in the end will be the
luckiest guy in the world. Baby,
you mean everything in the world
to me. So beat of luck in everything
you do. Baby, hope we can make it
go of it in the future. I love you!

Judy,
a real sharp girl who
is a real ball. I
hate to use this page
but you are so popular
there is no place else.
Good luck in gym all
four yearsand may all
your wishes be granted
for you really deserve it.
Good luck with "the special
guy" in the end & I hope it
is Shirl, he is a great guy
Always remember the fun we
had in gym & study hall & I
hope you to be a gym teacher, you
love it so much. I hope our friendship
never falters & fails cause you're a
really swell gal.

Best of Luck

To friend
Well every
body else has
already told all
the lies I was going
to tell so all I'll tell
the truth your ugly fat

To Judy
Well here I am again.
I'm still not going to
wish you luck because
you do need it.
There is'nt much
to say so I won't
say it.
Be happy, gay,

a girl? ?? ?
Well, forgiving my
last statement I hope
you have the finest,
best, worst, lovable, nice
rotten, horrible, cute, sweet
lousey, O.K. time of your life
in your later years. When
you are old and wrinkled
just remember these words
and hate me for the rest of
your crazy life. Well sorry about that time and etc.
It's about that time and etc.
I'm not going to wish you
good luck because everybody
else already has and I don't
want to sheard the subject.
So, in closing, as I probably
won't see your smiling face
until next year goodby and
so long, adieu amige, and
all that rot. Be happy and
go lucky.

To Judy,

A real swell thank you
a note I really appreciate and
got such a kick out of. You really have so
a sweet personality that makes you fun
a lot. Because you're always concerned
one thing or another and you're never
mad or thing rotten about anyone. Maybe
many tough breaks (and we've had our
next boy friend will be different
of the team, at least
and last year, (or two)
